

7.1.5 Green campus initiatives include

In 2010 when the NAAC team visited the college they praised the greenery of the college campus in the exit meeting. The following initiatives have been taken by the authority -

Ø.

There are approximately 150 varieties of species in the campus. All plants have been labeled with local and scientific names.

Ø. The sericulture garden is converted into ECO Zone. Variety of butterfly and migratory birds, insects visit the eco zone making a hot spot of Flora and Fauna for the students especially studying life science. The Botany department uses the reach biodiversity elements for its practical and project work.

Ø. A Botanical garden under the Department of Botany is under construction.

Ø. A pond at the entrance of the college campus enhances biodiversity with the presence of a variety of fish, amphibians, reptiles, etc.

Ø. The cleanness of the campus and good drainage system keep the campus clean.

Ø. World environment day and environment related seminars, popular talks are organized in the campus.

Ø. The campus has been declared as a Plastic-free zone. The initiative has been taken to reduce the use of paper in official work by digitalizing the administration.
